The Adopt-a-Kollel Team

WHAT IS ADOPT-A-KOLLEL

Adopt-a-Kollel allows Shuls and businesses to partner with Kollelim in Eretz Yisrael in a partnership that reaps tremendous dividends for both parties. Brilliant in its simplicity, Adopt-a-Kollel gives individuals the opportunity to collectively support and become partners with a Kollel in a meaningful way.

ADOPT-A-KOLLEL CORPORATE PROGRAM:

A corporate partnership with a Kollel elevates the

company in ruchniyus, and brings the employees together in a beautiful and positive way.

In addition to the obvious zechus of supporting Torah learned by distinguished avreichim in Eretz Yisroel, business owners and employees also develop a connection with the Rosh Kollel, a talmid chacham who will visit the business from time to time. Indeed, a partnership with a Kollel brings a new spiritual dimension to the entire corporate atmosphere.

the PROGRAM

1 **Your** Company selects the Kollel of your choice. We can help you find a Kollel that fits your dynamics.

2 **You** Decide: The business - or the individuals in the company - decide how much they want to give per month.

3 **You** Send: The business sends the money directly to the Kollel on a monthly basis. No money passes through Adopt-a-Kollel; its overhead is privately funded.

4 **You** Reap the Benefits. The partnership elevates the company, brings the employees together, and best of all, grants you the wonderful zechus of supporting Torah in Eretz Yisrael.
